Where do your shots really go?

Most golfers blame the driver. The numbers usually say something else.

Your round, broken down

Example: 6 handicap, shot 79

Red is shots lost, green is shots gained, against golfers of your level.

No card needed. Scan the code or go to tmstatsgolf.com/signup?ref=TMSTATS3FREE

1 Log your round

On your phone after you play. A couple of minutes.

2 See your numbers

Off the tee, approach, short game and putting.

3 Know what to practise

The same numbers the tour pros use, for your game.

TM STATS
Track to Improve

Built by Rob Cull, former NCAA college and Cheshire county golfer.
